

# CHARLIE THE CROW

## PARTY KIT

Hello! Happy Birthday to your young one (or you, if it's your birthday!) We hope you enjoy this kit and have a lovely party.

### Pin the Hat on Charlie

Print the poster and hats. Cut out the hats, and attached a small amount of double sided tape on the back. Give one hat to each player. Blindfold the player, spin them once or twice. Winner is the person who gets their hat closest to the appropriate spot on Charlies head.

### Party Hats

Print hats. Cut along the dark, outside line. Using glue or doublesided tape, head to the 'glue here' area and bring the hat's opposite side toward the tab, aligning the edges and press together to seal. Use a hole punch to create holes near the base of the hat on opposite sides, and then tie the through the holes to create a chin strap.

### Cupcake toppers/gift bag tags

Print and cut out each circle. To use as cupcake toppers, glue or tape a lollipop stick or toothpick to the back of each circle. Cut out each image along the border. To use as gift bag tags, punch a hole near the edge and thread a ribbon through.

### Bunting Flags

Print enough flags for your birthday message (like "Happy Birthday!" or "Honk! Honk!") Cut out the flags, and write one letter on each blank flag. Lay the flags out in order, green edge up. Cut a piece of string long enough to hold all your flags. Slip the string under the green edge, and fold back over the string. On the backside, tape the folded edges over the string. Then you can hang your bunting!

### Colouring Pages

Print out multiple copies of colouring pages and supply crayons, colored pencils, colouring pens, or paints to colour in Charlie and his friends.
